

Welcome at Regiondo!

You reach us by train with every S-Bahn towards Munich East. Please leave the train at “Munich east” and take the exit “Friedenstraße” towards “Grafinger Straße”. After you took the Grafinger Straße, you’ll see the entrance to Kultfabrik (former Kunstpark Ost) on the right side. Keep left. Then you can already see “Werk1” on the right side.

If you are driving from the airport Munich, take A92. At the highway cross “Neufahrn”, you follow the signs and take the A9. Then you take the exit 75 towards “Frankfurter Ring” and keep going towards “Föhringer Ring”. “Föhringer Ring” takes a slight left and turns into “Effnerstraße”. You keep going straight on Richard-Strauß-Straße. There you make a slight right turn (signs towards Neuperlach/Ostbahnhof), into Grafinger Straße.

So you can reach Regiondo yourself at the reception. There we will greet you personally. We are very excited to meet you!

Greetings
Your Regiondo Team
